

Opportunity

NAI Commercial is pleased to offer this great opportunity to be your own boss and work in Parksville by taking over a successful going concern.

Sweet Pea Quilting was founded by the current owner in 2004 and has established a loyal customer following. The business specializes in quilting cotton for the novice quilter to the very experienced quilter – sophisticated, contemporary and exotic. In addition to quilting cotton, the store supplies carry thread, books, patterns, rulers and sewing notions.

Included in the sale is an APQS (American Professional Quilting System) Millennium Long Arm Machine Quilting machine which is not only the largest model available but also is fully computerized using the Compuquilter system with technical support available 24/7 from the Manufacturer.

The current owner has successfully grown the business and with the current buy local push the store continues to grow.
